Sir:

Applicant wishes to thank the Examiner for the courtesies extended to the undersigned during the telephone interview regarding the Final Office Action. As a result of the interview, the Examiner indicated that the pending rejection over Elberly in view of Hahn is improper under 35 USC 103(c) as addressed in Applicant's response filed September 16, 2002. The Examiner also indicated that the finality of the application would be withdrawn if the application is not allowed.

The undersigned further discussed limitations of claims 5 and 64. The Examiner indicated that the cited prior art does not appear to teach nor suggest writing of data to a data port nor indicating responsive to data as recited in claims 5, 11 and 25. The Examiner indicated that the cited prior art does not appear to teach nor suggest extracting data from

a received wireless signal and indicating presence responsive to the extracting as defined in claim 64. Applicant submits claims 5, 11, 25 and 64 are allowable over the prior art of record.

The Examiner is requested to phone the undersigned if the Examiner believes such would facilitate prosecution of the present application. The undersigned is available for telephone consultation at any time during normal business hours (Pacific Time Zone).

Respectfully submitted,

Dated: 2/3/03
